# Meet Us

The Network of Jewish Human Service Agencies stands as a collective of **170+ non-profit Jewish human service organizations** spanning the United States, Canada, and Israel. Member organizations collectively provide a comprehensive array of human services for individuals across all age groups, both within and beyond the Jewish community.

**ExecNET Retreat, our annual C-suite gathering**, provides executives and their senior staff members with a unique opportunity to connect and engage. Attendees then return to their communities with new tools and vendor relationships to call on as any challenges arise.
