SPONSORSHIP PROPOSAL

Meet Us

The Network of Jewish Human Service Agencies stands as a collective of 175+ non-profit Jewish human service organizations spanning the United States, Canada, and Israel. Member organizations provide a comprehensive array of human services for individuals across all age groups, both within and beyond the Jewish community.

PowerNET (now including ExecNET) is The Network's signature event, a multi-day conference where over 500 human service professionals, agency leaders, and partner organizations exchange ideas, share successes, and explore challenges. With keynote sessions, workshops, and networking opportunities, the event aims to empower participants with strategies to strengthen their work and communities. The goal is to enrich knowledge, foster connections, and drive impactful change across the Jewish human service sector.

PowerNET 2027 Marks a Milestone

Celebrating a Decade of Excellence

For ten years, The Network has connected, strengthened, and advanced Jewish human service agencies across the United States, Canada, and Israel.

PowerNET 2027 will be more than our annual conference—it will be a celebration of our collective impact, the partnerships that brought us here, and the vision that will shape the decade ahead.

Join us as a sponsor for this once-in-a-decade celebration.
